FEC Form 3X - September Monthly Report (8/1/94-8/31/94)

Dear Mr. Cohen:

Enclosed is a copy of your letter dated November 2, 1994 regarding your review of the above-mentioned report. Your letter questioned various contributions on Schedules B which appeared to exceed the \$5,000 limit on contributions (per election) to two candidates. Please be advised that all the apparent excesses have been resolved, as follows.

Regarding "Santorum for Senate '94" general contributions, you should have seen by now a \$1,000 void on the Pre-General election report (covering 10/1-10/19/94). This has brought Santorum contributions within the \$5,000 limit and resolved the apparent excess.

Regarding "Dick Swett for Congress" primary contributions, a \$500 redesignation from primary to general has recently been made to bring them within the \$5,000 limit and take care of his apparent excess. It will be reported on the Post-General election report (covering 10/20/94-11/28/94).

If you have any comments or questions, please call me at (201) 938-3481.

Sincerely,

Stuart Eisenberg
